

## Stephen Martin-Pinto

- End the lottery system for public school admissions. Ensure every kid has guaranteed admission to their nearest available public school.
- Advocate for high quality public education to include early algebra, art, music, and foreign language immersion opportunities.
- Guarantee safe passage for all students – no stepping over needles, feces, or through open-air drug markets by passing legislation prohibiting such activity within 1000 feet of all schools.
- Expand access to after-school programs such as Police Athletic League sports and other youth programs.
- For older students, expand vocational opportunities by linking them with CityBuild and City EMT programs.
- Protect JROTC programs in high schools.
