

Week 30: Name one specific issue affecting residents in the OMI.
How would you address it as their supervisor?

Ernest "EJ" Jones

Pedestrian Safety is a huge issue for residents of the OMI. At one point, residents pulled out sandwich boards to encourage stop signs at intersections of Grafton/Garfield. Neighbors on Lobos/Caine are concerned about speeds when their street is used as a cut through and of course Brotherhood Way at Orizaba needs traffic improvements. I would work with SFMTA to create a dedicated safety plan for the district while also using creative methods like 3 way mirrors at four way intersections to increase visibility for drivers. Traffic calming near schools and parks are necessary to create safe spaces for our children and families.
