Re: Third Review of Draft Recall Petition Forms

Mr. Love:

I have completed my review of the third draft of the recall petition forms that you submitted to this office on January 16, 2025, associated with the intent to recall Board of Supervisors Member Joel Engardio. The petition template's form and wording fulfill the requirements set by [Division 11](#) of the California Elections Code.

You may now circulate the petition and have 120 days, or May 22, 2025, to submit petition pages to the Department that include the residential address information and signatures from 9,911 voters registered in Supervisorial District 4. However, prior to circulating the petition, you must obtain from the Department the templates of the badges that all circulators must wear while requesting voters to provide their registration information and signatures on the petition pages.

Be advised that you are responsible for keeping current the information regarding the Official Top Funders during the time the petition is circulated. You can find information regarding Official Top Funders in the California Secretary of State's ["Procedures for Recalling State and Local Officials"](#) starting on page 18.

Respectfully,

John Arntz, Director
