STOP THE RECALL PLEASE

SUPERVISOR JOEL ENGARDIO WORKS HARD FOR US

As our Supervisor, Joel has:

- Brought more police protection to the Sunset
- Fought successfully to return algebra to middle schools
- Created thriving night markets with community partners
- Reduced permitting red tape for our small businesses
- Secured funding for Sunset Boulevard greenway improvements
- Delivered relief funds to local merchants impacted by street reconstruction
- Installed signal lights for better traffic flow and safer streets

A MESSAGE FROM JOEL

Many Sunset residents don't support a disruptive and costly recall. They know a special election would cost a lot of taxpayer dollars better spent on safe and clean streets.

They know this expensive, wasteful recall can't reverse Prop K or stop Klutznick Nature when a section of the Great Highway is falling into the ocean from coastal erosion.

I'm proud of my work as supervisor to improve the quality of life in the Sunset. Residents know I'm a champion for public safety, education, and small businesses. It's the entirety of my work that matters.

— Joel Engardio

IF YOU'RE ASKED TO SIGN THE RECALL PETITION, PLEASE DECLINE TO SIGN.
