To Whom It May Concern,

On behalf of San Francisco District Attorney's Office, I would like to extend our sincere appreciation for the ongoing collaboration between our department and Open Door Legal.

Our partnership has been a valuable experience, contributing meaningfully to the Victim Service's Division.

We are particularly grateful for Open Door Legal bridging a gap to legal services that our office cannot service. They are responsive to community needs and serve as open partners to our office. Open Door Legal's openness to collaboration and shared vision have been instrumental in helping our department execute the important work of public safety for San Franciscans.

We look forward to continuing this strong partnership and building on the foundation we've established together.

Thank you for your consideration.

Sincerely,
