

## David Lee

### What have you already done for District 4?

I have been serving the Sunset neighborhood since the 1990s with the Chinese American Voter Education Committee from registering Sunset voters to fighting for language access.

I also served on the San Francisco Recreation and Parks Commission from 2005 to 2012. At the Recreation and Parks commission, I served as chair of the Capital Committee where I designed, refurbished, funded and built many parks and recreational facilities in the Sunset such as, Sunset Recreation Center, West Sunset Playground, McCoppin Square Park, Sava Pool, and many others. Sava Pool was the most environmentally sustainable project which became the model for all pool renovation in the city.

Currently, I'm leading a class action lawsuit against PG&E to help hundreds of Sunset businesses and residents for damages for their recent blackout throughout the Sunset. I have been fighting for the Sunset and will keep fighting for the Sunset.
