The MAPP is a bi-monthly neighborhood inter-cultural arts event that transforms garages, cafes, studios, gardens, and local businesses into make-shift arts & performance spaces where daily life meets artistic innovation and expression. Enjoy but please attend MAPP responsibly, respect the neighborhood and the community.

El MAPP es una colaboración de artistas, músicos, poetas y teatreros que busca llevar el arte a la calle usando espacios alternativos como garajes privados, sótanos y estudios de arte. Es una pequeña fiesta que ocurre cada 2 meses para infundir creatividad a nuestras vidas. Disfrute MAPP . Responsablemente respeten el barrio y la comunidad.
