

Yes, I was all in on the 2022 recall. Families had lost trust in a district that had stopped listening. When the protest signs came down, I stayed to do the quieter work. Today, I read with Bayview kindergartners every week, and I see myself in some of those students. I also serve on the Bond Oversight Committee, bringing a contractor's eye to keeping costs honest on hundreds of millions of dollars in school facilities projects. I'm an SFUSD graduate. Our schools opened doors for me, and I want to help make sure every family can trust their schools and feel proud of the neighborhood school their child attends.
