Nancy Tung, Chair
SFDCCC

Dear Ms. Tung:

On April 16, 2026, Brad Chapin lodged a complaint against Manny Yekutieli regarding an incident alleged to have occurred on or about February 21, 2020. Consistent with the Code of Conduct, an Adjudication Panel convened on August 25, 2026 to review the investigator's findings of fact and make a determination about whether a violation of the Code of Conduct occurred.

The Panel reached the following finding:

The accusation cannot be substantiated. By both parties' assessment, the event in question is not claimed to have occurred at an official meeting or at any sponsored event of the SFDCCC or any chartered club, and was not in the context of any official or unofficial communication or interaction in the context of conducting any political activity.

This is not a determination on the merits of whether a sexual assault occurred.

I have informed both the Complainant and the Respondent, through counsel, of the Adjudication Panel's determination and advised them of their options moving forward.

Please let me know if you have any questions.

Very truly yours,
